KIDS
Day

Courageous Bears for Courageous Kids

"Courageous Bears for Courageous Kids" provides comfort and support to childhood cancer patients through the meaningful and heartfelt gift of a Courageous Bear. Each bear represents a beacon of hope and joy for children in hospitals. Your generous donations are pivotal, directly funding crucial childhood cancer research and bringing us closer to our goal of ending childhood cancer as we know it.

Here's How You Can Make a Difference:

- **Donate a Bear, Donate Hope:** For just \$100, you can sponsor a "Courageous Bear". This hand-delivered cuddly companion will be a symbol of strength and comfort to a child battling cancer in a local area hospital.
- **100% Impact:** Every cent of your donation directly supports childhood cancer research through the American Cancer Society and helps provide kids with a "day away from cancer" as part of our Courageous Kids Day in the Bay Area.
- **Beyond Bears:** Cancer touches us all. Cancer is the leading disease-related cause of death for children and adolescents. Supporting Courageous Bears help us fund the currently active 49 childhood cancer research grants searching for the next breakthrough in cancer care and prevention.

Get Involved Today:
